

BUYER BROKER REPRESENTATION AGREEMENT (C.A.R. Form BR, Revised 4/02)

1. RIGHT TO REPRESENT: _____ ("Buyer") grants _____ ("Broker") beginning on (date) _____ and ending (i) upon written notice by either party, (ii) upon completion of a resulting transaction, or (iii) one year (or _____) from the beginning date, whichever occurs first ("Representation Period"), the non-exclusive and revocable right, on the terms specified in this Agreement, to represent Buyer in acquiring real property or a manufactured home. Broker agrees to exercise due diligence and reasonable efforts to fulfill the following authorizations and obligations. Broker will perform its obligations under this Agreement through the individual signing for Broker below, who is either Broker individually or an associate-licensee (an individual licensed as a real estate salesperson or broker who works under Broker's real estate license). Buyer agrees that Broker's duties are limited by the terms of this Agreement, including those limitations set forth in paragraphs 3 and 4.

2. AGENCY RELATIONSHIPS:

A. DISCLOSURE: If the property being sought includes residential property with one-to-four dwelling units, Buyer acknowledges receipt of the "Disclosure Regarding Real Estate Agency Relationships" form prior to entering into this Agreement.

B. BUYER REPRESENTATION: Broker will represent, as described in this Agreement, Buyer in any resulting transaction.

C. (1) POSSIBLE DUAL AGENCY WITH SELLER: (C(1) APPLIES UNLESS C(2)(i) or (ii) is checked below.)

Depending on the circumstances, it may be necessary or appropriate for Broker to act as an agent for both Buyer and a seller, exchange party, or one or more additional parties ("Seller"). Broker shall, as soon as practicable, disclose to Buyer any election to act as a dual agent representing both Buyer and Seller. If Buyer is shown property listed with Broker, Buyer consents to Broker becoming a dual agent representing both Buyer and Seller with respect to those properties. In event of dual agency, Buyer agrees that: (a) Broker, without the prior written consent of Buyer, will not disclose to Seller that Buyer is willing to pay a price greater than the price offered; (b) Broker, without the prior written consent of Seller, will not disclose to Buyer that Seller is willing to sell property at a price less than the listing price; and (c) other than as set forth in (a) and (b) above, a dual agent is obligated to disclose known facts materially affecting the value or desirability of the Property to both parties.

OR (2) SINGLE AGENCY ONLY: (APPLIES ONLY IF (i) or (ii) is checked below.)

(i) Broker's firm lists properties for sale: Buyer understands that this election will prevent Broker from showing Buyer those properties that are listed with Broker's firm or from representing Buyer in connection with those properties. In any resulting transaction in which Seller's property is not listed with Broker's firm, Broker will be the exclusive agent of Buyer and not a dual agent also representing Seller.

(ii) Broker's firm DOES NOT list property: Entire brokerage firm only represents buyers and does not list property. In any resulting transaction, Broker will be the exclusive agent of Buyer and not a dual agent also representing Seller.

D. OTHER POTENTIAL BUYERS: Buyer understands that other potential buyers may, through Broker, consider, make offers on or acquire the same or similar properties as those Buyer is seeking to acquire. Buyer consents to Broker's representation of such other potential buyers before, during and after the term of this Agreement, or any extension thereof.

E. CONFIRMATION: If the Property includes residential property with one-to-four dwelling units, Broker shall confirm the agency relationship described above, or as modified, in writing, prior to or coincident with Buyer's execution of a Property Contract.

3. BROKER AUTHORIZATIONS AND OBLIGATIONS:

A. Buyer authorizes Broker to: (i) locate and present selected properties to Buyer, present offers authorized by Buyer, and assist Buyer in negotiating for acceptance of such offers; (ii) assist Buyer with the financing process, including obtaining loan pre-qualification; (iii) upon request, provide Buyer with a list of professionals or vendors who perform the services described in the attached Buyer's Inspection Advisory; (iv) order reports, and schedule and attend meetings and appointments with professionals chosen by Buyer; (v) provide guidance to help Buyer with the acquisition of property; and (vi) obtain a credit report on Buyer.

B. For property transactions of which Broker is aware and not precluded from participating in by Buyer, Broker shall provide and review forms to create a property contract ("Property Contract") for the acquisition of a specific property ("Property"). With respect to such Property, Broker shall: (i) if the Property contains residential property with one-to-four dwelling units, conduct a reasonably competent and diligent on-site visual inspection of the accessible areas of the Property (excluding any common areas), and disclose to Buyer all facts materially affecting the value or desirability of such Property that are revealed by this inspection; (ii) deliver or communicate to Buyer any disclosures, materials or information received by, in the personal possession of or personally known to the individual signing for Broker below during the Representation Period; and (iii) facilitate the escrow process, including assisting Buyer in negotiating with Seller. Unless otherwise specified in writing, any information provided through Broker in the course of representing Buyer has not been and will not be verified by Broker. Broker's services are performed in compliance with federal, state and local anti-discrimination laws.

4. SCOPE OF BROKER DUTY:

A. While Broker will perform the duties described in paragraph 3B, Broker recommends that Buyer select other professionals, as described in the attached Buyer's Inspection Advisory, to investigate the Property through inspections, investigations, tests, surveys, reports, studies and other available information ("Inspections") during the transaction. Buyer agrees that these Inspections, to the extent they exceed the obligations described in paragraph 3B, are not within the scope of Broker's agency duties. Broker informs Buyer that it is in Buyer's best interest to obtain such Inspections.

BUYER'S INSPECTION ADVISORY

(C.A.R. Form BIA, Revised 10/02)

Property Address: _____ ("Property").

A. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, you should conduct thorough investigations of the Property personally and with professionals who should provide written reports of their investigations. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.

B. BUYER RIGHTS AND DUTIES: You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. The purchase agreement gives you the right to investigate the Property. If you exercise this right, and you should, you must do so in accordance with the terms of that agreement. This is the best way for you to protect yourself. It is extremely important for you to read all written reports provided by professionals and to discuss the results of inspections with the professional who conducted the inspection. You have the right to request that Seller make repairs, corrections or take other action based upon items discovered in your investigations or disclosed by Seller. If Seller is unwilling or unable to satisfy your requests, or you do not want to purchase the Property in its disclosed and discovered condition, you have the right to cancel the agreement if you act within specific time periods. If you do not cancel the agreement in a timely and proper manner, you may be in breach of contract.

C. SELLER RIGHTS AND DUTIES: Seller is required to disclose to you material facts known to him/her that affect the value or desirability of the Property. However, Seller may not be aware of some Property defects or conditions. Seller does not have an obligation to inspect the Property for your benefit nor is Seller obligated to repair, correct or otherwise cure known defects that are disclosed to you or previously unknown defects that are discovered by you or your inspectors during escrow. The purchase agreement obligates Seller to make the Property available to you for investigations.

D. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as soil stability, geologic or environmental conditions, hazardous or illegal controlled substances, structural conditions of the foundation or other improvements, or the condition of the roof, plumbing, heating, air conditioning, electrical, sewer, septic, waste disposal, or other system. The only way to accurately determine the condition of the Property is through an inspection by an appropriate professional selected by you. If Broker gives you referrals to such professionals, Broker does not guarantee their performance. You may select any professional of your choosing. In sales involving residential dwellings with no more than four units, Brokers have a duty to make a diligent visual inspection of the accessible areas of the Property and to disclose the results of that inspection. However, as some Property defects or conditions may not be discoverable from a visual inspection, it is possible Brokers are not aware of them. If you have entered into a written agreement with a Broker, the specific terms of that agreement will determine the nature and extent of that Broker's duty to you. YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.

E. YOU ARE ADVISED TO CONDUCT INVESTIGATIONS OF THE ENTIRE PROPERTY, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:

- 1. GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS: Foundation, roof, plumbing, heating, air conditioning, electrical, mechanical, security, pool/spa, other structural and non-structural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property. (Structural engineers are best suited to determine possible design or construction defects, and whether improvements are structurally sound.)
2. SQUARE FOOTAGE, AGE, BOUNDARIES: Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Fences, hedges, walls, retaining walls and other natural or constructed barriers or markers do not necessarily identify true Property boundaries. (Professionals such as appraisers, architects, surveyors and civil engineers are best suited to determine square footage, dimensions and boundaries of the Property.)
3. WOOD DESTROYING PESTS: Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms and other infestation or infection. Inspection reports covering these items can be separated into two sections: Section 1 identifies areas where infestation or infection is evident. Section 2 identifies areas where there are conditions likely to lead to infestation or infection. A registered structural pest control company is best suited to perform these inspections.
